

PAIR OF HANOVERIAN BAROQUE CANDLESTICKS

Pair of Hanoverian Baroque candlesticks

Silver. Square base with indented corners. The angularly segmented baluster shaft features a vase-shaped socket.

Mark: Hanover Neustadt with date letter C, circa 1733–1735

Maker: Johann Bernhart Renner (circa 1730)

Height: 20.7 cm, Weight: 836 g

Hanover, Johann Bernhart Renner, circa 1730–1735

Scheffler mentions a pair of candlesticks of the same height with this maker's mark in a private collection in Stockholm (1452b). Renner's father, Johann Georg, is also a possible maker (cf. a pair of candlesticks in the English style with the date letter C and his maker's mark IGR (Scheffler 1432c)).
