Detailed Information

Very Fine German Parcel-Gilt Silver Soup Tureen

The terrine was formed along the lines of an ancient kantharos. It has an oval stepped foot, an urn-shaped vessel body with one in the middle steeply rising lid and a leaf rosette on top. The knob in the form of an artichoke. An embossed frieze of acanthusspirals – with a rosette center – runs along the edge. Angular broken cantharos-like handle.

Provenance: collection Graf von Reichenbach-Goschütz in Gündel, 1942, fig. 86
